

**Paragon Consulting Services Portland Office:
1300 SW 6th Ave, Suite 320, Portland, OR 97201**

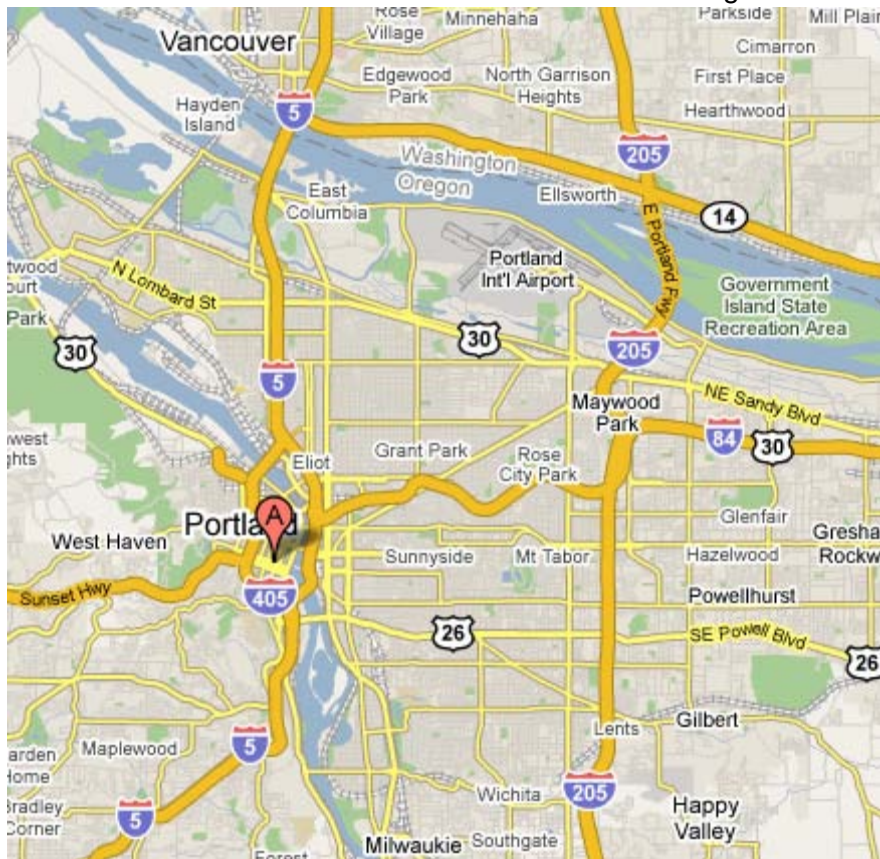

If you are without a car, Portland has excellent public transportation, including light rail (MAX), bus, and street car. There is a short discussion on public transportation options below the driving directions, but you can also visit Portland's TriMet public transportation website for more information (www.trimet.org).

If you are driving and parking on the street, Portland has parking meters in the middle of each block face. The meters take credit cards and change, but no bills. There are several parking lots and garages open to the public, one garage is under our building.

Driving Directions

From Airport or east: Take NE Airport Way southwest to **I-205 Southbound (Portland)**. Take exit **21B I-84 west** (Note: this is the second exit to I-84) toward City Center. From I-84, merge onto **I-5 South**. Continue on I-5 for about 1.5 miles, which will take you over a bridge, and merge onto **I-405 North**. Exit on the first exit, **1B: 4th Avenue**. Take 4th Avenue north to SW Jefferson St. Turn **left on SW Jefferson**. At the next light at SW 5th, you will find our building, the Unitus Plaza, and the underground parking garage, across the intersection on your left.

From the north:

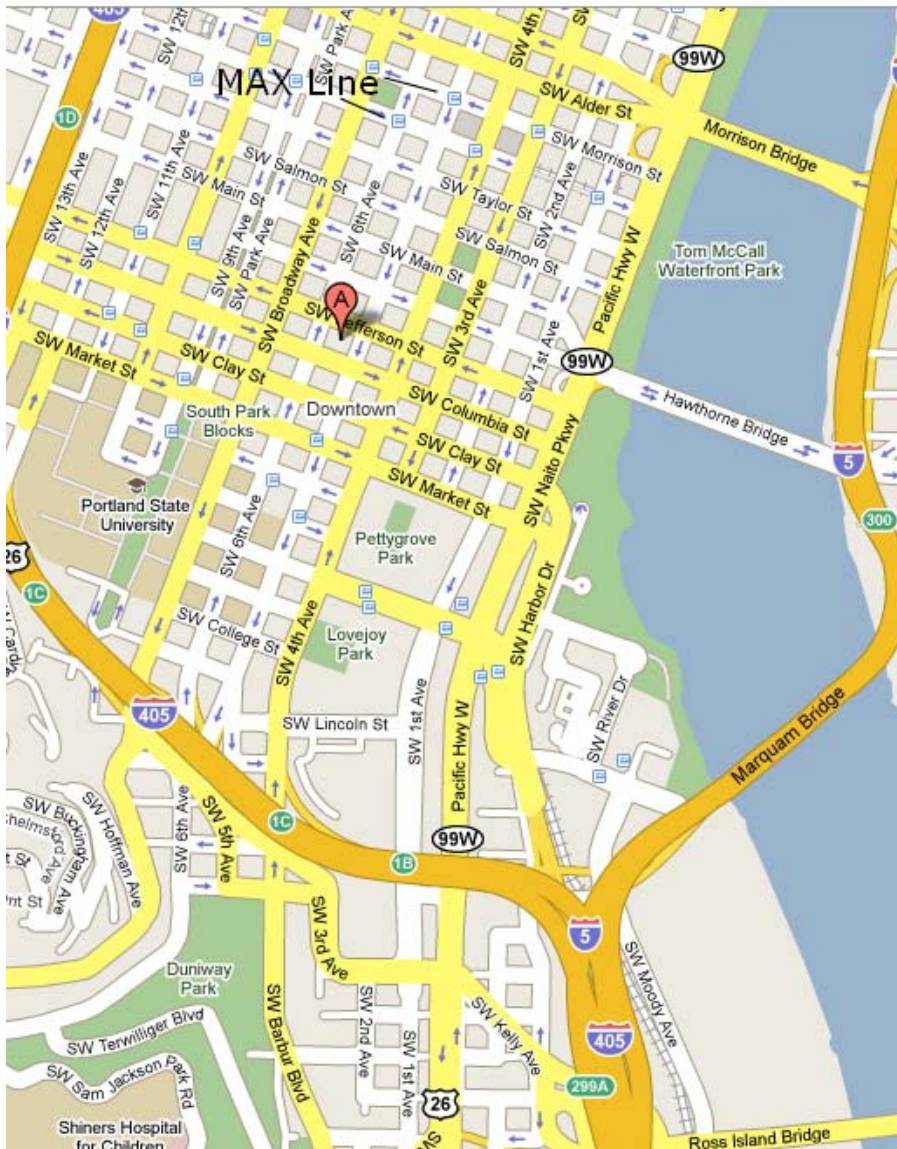

From **I-5 South**, go past the I-405 South/Beaverton exit and continue past the City Center exits and merge onto **I-405 North** (left lanes) at south end of bridge. Exit on **1B: 4th Avenue**. Take 4th Avenue north to SW Jefferson St. Turn **left on SW Jefferson**. At the next light at SW 5th, you will find our building, the Unitus Plaza, and the underground parking garage, across the intersection on your left.

From the south:

From I-5 North, stay in the left lanes until you get to the **I-405 N** exit (I-405 is at the south end of downtown Portland-- if you pass the downtown exits, you've gone too far). It is a left-exit, but you'll want to be in the right-most lanes of those turning left. Exit on **1B: 4th Avenue**. Take 4th Avenue north to SW Jefferson St. Turn **left on SW Jefferson**. At the next light at SW 5th, you will find our building, the Unitus Plaza, and the underground parking garage, across the intersection on your left.

Downtown Detail and Public Transportation:

Portland is divided into quadrants: the river divides east from west and Burnside Street divides north from south. Most of downtown Portland is in the southwest quadrant of town and has many one-way streets. Note that SW 5th and SW 6th avenues are generally reserved for bus and light rail transit and have limited turning options for drivers.

From the Airport, the Metro Area Express (MAX) Red Line is direct to downtown, and is just \$2.30, and takes approximately 40 minutes. A taxi ride will be approximately \$35.

MAX: From the Airport (Red Line) MAX, get off the train at the Pioneer Square stop. That puts you between 6th Avenue and Broadway. From here, you can either walk, or catch the MAX Green or Yellow Lines south toward Portland State University. If walking, the Paragon office is 6 blocks south. Simply walk up 6th Avenue to your destination. If taking the MAX, the Green and Yellow Lines can be found one block east of Pioneer Square, on SW 5th Avenue.

You can also catch the Green Line train south toward Portland State University and exit on the Jefferson stop.
